Hi Gary,

Thank you and Paul for your work on this, it is greatly appreciated by residents and I know at the end of the day events will continue but hopefully on a smaller scale with more emphasis on the Health issue. It will also be good to know that future events will be well flagged in advance.

Regds,  
Aidan

Hi Aidan,

Further to your previous email regarding 'Re-freshers Week', Paul Moriarty and I have met with the Students' Union, and a member of the Gardai, to discuss this issue. The Students' Union have agreed, following the concerns of the local residents, to remove the name 'Re-freshers Week' from the promotional material. In addition, the Students' Union have expressed a desire to communicate future events before the next academic year which will open a new dialogue with the local community.

If you have any questions, please do not hesitate to contact me.

Kind regards,  
Gary
